RESPONSE TO INFORMALITIES

Assistant Commissioner for Patents

Washington, D.C. 20231

Dear Examiner Ford:

In response to the Examiner's request for the incorporated non-patent references pursuant to the August 2, 2000 Office Action, Applicants' representative discloses those references, which are readily available. The two exceptions-- Mills & Irwin, Heat and Mass Transfer (1995) and Irvine & Liley, Steam and Gas Tables with Computer Equations, Academic Press, 1984-- will be requested promptly from the inventors and will be forwarded upon receipt. In the meantime, applicants' representative believes the references disclosed in the accompanying information disclosure statement should suffice for examination, but make no representation as to whether they are essential to support any of the claims.

Respectfully submitted,

Robert Moll
